LITTLE FLOATERS

YMCA of Bristol Infant & Toddler Survival Swim Program

Little Floaters is a one-to-one survival swim program that teaches children ages 1-4 years old how to roll on their backs so they can breathe, float and reach the side of the pool until help arrives. Those precious seconds can save a life! Sessions include 8 lessons, each 10-15 minutes long. These lessons maximize the short attention span of young children while gradually increasing the child's skill level in the water through individual guidance by a trained instructor.

Ages: 1-4 years old

Classes are held 2 days per week for 4 weeks

Members: \$210

Potential Members: \$290
