## Class Descriptions

**Arms/Booty/Core (A.B.C.):** Low impact, high intensity toning using body weight and weighted exercises. Focus will be on core and arms and will include various forms of exercise.

**Barre:** Includes components of Pilates, Yoga and Ballet. You'll work your core & tone the entire body from head to toe! (No dance experience required.)

**BoxMaster:** Boxing style conditioning that caters to all types of fitness levels. Participants will hit every aspect of conditioning while training in an interval format.

**Cardio, Core & More:** Fun, high-energy class focusing on full body workout using various equipment and formats. (low impact, great starter class)

**Core Challenge-** Core and Glute circuit interval training in the Glutes & Abs Lab. Low impact, but effective core toning.

**Forever Fit:** Perfect for older adults This class includes work for all major and minor muscle groups addressing strength, flexibility, muscular endurance, balance and coordination.

**Functional Strength:** Fitness for all levels, a combo of mobility and strength training to strengthen for life's every day demands.

**HIIT (High-Intensity Interval Training)** workout consists of short bursts of intense exercise followed by brief periods of rest or low-intensity recovery

**HYROX:** functional fitness format for every BODY! It incorporates Functional strength training, High Intensity Interval training and Classic endurance.

**HYROX PLUS:** functional fitness format for every BODY! It incorporates Functional strength training, with cardio endurance PLUS targeted toning.

**Line Dancing:** learn a variety of line dances and western struts in this class. It's a fun and very social way to exercise. No partner needed.

**NIA:** Combining dance, martial arts and mindfulness, Nia tones your body while transforming your mind.

**Pilates:** A great class consisting of low-impact flexibility and muscular strength and endurance movements to strengthen the core. (low impact, great starter class)

**Power Dance:** Features interval training sessions where fast and slow rhythms and resistance training are combined to tone and sculpt your body while burning fat.

**Rise & Grind:** Get up early and get it! Sports based training incorporating interval training, full-body strength and cardio blasts to get you going early in the day!

**Sculpt:** 60-minute strengthening program hitting all major muscle groups in one class with various types of equipment. (great starter class, low impact)

**Sports Conditioning/Weekend Warrior:** A combination of aerobic conditioning, strength training, and sports performance enhancement utilizing battle ropes, body weight and more.

**Step:** An aerobic fitness class which is designed to provide people with cardio and strength training utilizing a platform.

**Strength Train:** This 60-minute barbell program strengthens all your major muscles in an inspiring, motivating group environment.

**Warm Power Vinyasa Flow:**Not for beginners. Powerful yoga using breath in motion to build strength, flexibility, balance and focus. Full body workout. Be prepared to sweat!

**Yoga:** Bring awareness of your body, breath and movement. Improve strength, flexibility, circulation and well-being while reducing stress.

**Chair Yoga:** A gentle form of yoga done while sitting or standing with the support of the chair. Chair yoga poses are especially good for seniors and those who sit for long periods.

**Yoga Flow:** Energetic class matching movement to breath with lots of movement!

**Yoga 101/Gentle Yoga:** This is a basic yoga class and includes; breathwork, warmup poses, standing poses, balance work, stretching, and relaxation.
